Bridges To Cross

As students travel the path of living, they will find many bridges to cross.

For the kindergartener the bridge looks long and the crevice deep.

The senior may have the feeling, "I may never pass this way again."

The annual staff is striving to show some of the bridges that will make the crossing of the "pitfalls" of life a little easier, as students work together in classes, organizations, and services; as they play together in sponsored activities.

Seniors sponsored the annual bonfire, Raynell Donaldson, Jon Ford, and Bruce Kaldenbach work to build the biggest.

On Thursday evening the pep rally was held around the fire.

In the big game Moody slaughtered Bruceville Eddy 35 to 0 before a packed crowd.

The exciting half-time brought last year's Queen Melissa Sebastian and Drill team beau, Gary Schmidt, to crown the queen, after presenting the court. Then the return of the Bearcats to the playing field.

this year;
For it was given to us to
live.
